

## **Director, ESG Engagement Team**

### **Description:**

We are currently looking for a Director to join our ESG Engagement Team. The Director is expected to serve as a key project manager on developing and executing engagement projects to further improve the profitability and governance of our investee companies.

The Director will also be a key part of developing the business and will be expected to support the marketing of the business internally and externally, development of best practices and setting a culture for the team.

### **Responsibilities of the position will include:**

- Lead and deliver ESG engagement activities and support the development of an engagement agenda
- Engage internal and external stakeholders on ESG initiatives
- Perform in-depth research and analysis on more complex ESG engagement situations
- Produce a range of key documents such as strategy memos, social media copy, press releases and investor presentations
- Collaborate with equivalent practitioners from legal, financial and proxy advisers
- Identify opportunities and proactively initiate efforts to market the business globally through thought leadership, research, prospecting or networking

### **The Ideal candidate:**

- Fluent in Korean and English
- Interest in improving Korean companies
- Proven presentation, communication and influencing skills
- Ability to engage with clients, corporates and industry bodies
- An independent thinker who is highly intelligent and intensely motivated
- Financial statement literate
- Comfortable working independently
- Possesses a high level of maturity and responsibility

Qualified candidates should send their statement of interest and CV to [jymun@trustonasset.com](mailto:jymun@trustonasset.com).
